

SHANGHAI AMERICAN SCHOOL

SCHEDULE OF 2025/2026 FEES

1) ONE-TIME ENTRY FEES

a) APPLICATION FEE

The application fee is only valid for the school year for which the application is submitted. This fee is payable when the student's application is submitted and is required prior to evaluation by the Admission Committee. The fee is non-refundable, and remains valid until the subsequent Schedule of Fees is released, and is therefore subject to change. **RMB 2,800**

b) ENTRY FEE

The one-time-entry tuition fee is a mandatory fee that is used to support investments in school facilities and related costs, including new construction and renovation projects. This fee applies to new entrants only, and is due in full according to the invoice due date. This fee remains valid until the subsequent Schedule of Fees is released, and is therefore subject to change. Withdrawal of an active student and subsequent re-admission requires payment of the one-time-entry tuition fee upon each re-admission event that occurs after two consecutive years of non-enrollment.

- Pre-Kindergarten and Elementary School **RMB 28,000**
- Middle and High School **RMB 33,000**

2) ENROLLMENT FEE

In order to secure a space for the upcoming school year, a non-refundable Enrollment Fee will be applied to all returning students, due by April 1 of the year prior to the upcoming school year. For newly entering students, this fee is due within five working days of the invoice due date. This fee is in addition to the annual tuition fees and is therefore subject to change.

RMB 32,000

3) ANNUAL TUITION FEES AND DISCOUNTS

Tuition fees are used to support both the general operations of the school as well as the ongoing re-investment in the school facilities.

Annual Tuition Fees are payable in two equal installments, due on June 1 and November 1. Prepayment of tuition fees in full in advance of the period when they are due will result in a discount of 1% of the prepaid amount (i.e. prepayment of the first and second tuition installments by April 1 will grant a 1% discount on the total tuition fees due minus the enrollment fee, prepayment of the second tuition installment before June 1 will grant a 1% discount on the second tuition installment minus the enrollment fee).
